|---------------------------------|----------------------------|-------------------------|
| MINFILE Number: 104P 015 | Name: WING'S CANYON | Status: Prospect |
|---------------------------------|----------------------------|-------------------------|

| Ore Zone/ Year/Report On | Tonnage/ Category | Commodity | Grade | Reference/ Comments |
|-----------------------------|------------------------------|----------------|---------------------|---|
| DRILLHOLE 2020 N | Assay/analysis Drill Core | Gold | 19.5 g/t | Drill hole 20TA-105 is reported to have intercepted numerous wider low-grade zones of up to 0.83 gram per tonne gold over 5.15 metres and narrow high-grade zones of up to 19.5 grams per tonne gold over 0.5 metre, while drill hole 20TA-106 yielded 1.45 grams per tonne gold over 8.70 metres Assessment Report 39350 |
| DRILLHOLE 2009 N | Assay/analysis Drill Core | Gold | 21.80 g/t | Drilling is reported to have intercepted wide zones of generally low-grade mineralization (generally 0.1 to 1.0 gram per tonne gold over 10s of metres) except for drillhole TA09-040 which yielded 21.80 grams per tonne gold over an un-specified length in a zone of generally low-grade mineralization Assessment Report 31397 |
| SAMPLE 2002 N | Assay/analysis Rock | Gold | 5.88 g/t | A rock sample taken from mineralized quartz veins Assessment Report 27183. |
| SAMPLE 1995 N | Assay/analysis Chip | Gold | 0.27 g/t | Chip samples from the plotted location of the occurrence are reported to have yielded 0.27 and 0.48 gram per tonne gold over 30 and 8.4(?) metres, respectively. Assessment Report 27226 |
| VEIN 1984 N | Assay/analysis Chip | Gold | 0.9 g/t | Average of three chip samples (P3167-P3169) over 1.3 metres of vein material and the foot and hanging walls of a vein, located approximately 300 metres south of the plotted location of the occurrence. Assessment Report 12627 |
| VEIN 1935 N | Assay/analysis Grab | Gold Silver | 13.6 g/t 3.7 g/t | A selected sample of honeycomb quartz and limonite Assessment Report 8552; Minister of Mines Annual Report 1935 |
