

MINFILE Production Detail Report  
 BC Geological Survey  
 Ministry of Energy, Mines and Petroleum Resources

|                                  |                                |                              |
|----------------------------------|--------------------------------|------------------------------|
| <b>MINFILE Number:</b> 082FNW013 | <b>Name:</b> HINCKLEY (L.1720) | <b>Status:</b> Past Producer |
|----------------------------------|--------------------------------|------------------------------|

| Production Year | Tonnes Mined | Tonnes Milled | Commodity | Grams Recovered | Kilograms Recovered |
|-----------------|--------------|---------------|-----------|-----------------|---------------------|
| 1997            | 1,905        | 1,905         | Silver    | 512,934         |                     |
|                 |              |               | Lead      |                 | 92,712              |
|                 |              |               | Zinc      |                 | 90,294              |
| 1988            |              |               | Silver    | 173,230         |                     |
|                 |              |               | Gold      | 419             |                     |
|                 |              |               | Zinc      |                 | 105,031             |
|                 |              |               | Lead      |                 | 38,611              |
| 1956            | 90           |               | Silver    | 50,667          |                     |
|                 |              |               | Gold      | 31              |                     |
|                 |              |               | Zinc      |                 | 7,581               |
|                 |              |               | Lead      |                 | 7,510               |
|                 |              |               | Cadmium   |                 | 59                  |
| 1955            | 13           |               | Silver    | 33,529          |                     |
|                 |              |               | Gold      | 31              |                     |
|                 |              |               | Lead      |                 | 6,904               |
|                 |              |               | Zinc      |                 | 684                 |
| 1937            | 2            |               | Silver    | 5,256           |                     |
|                 |              |               | Lead      |                 | 1,162               |
|                 |              |               | Zinc      |                 | 6                   |
| 1936            | 1            |               | Silver    | 2,830           |                     |
|                 |              |               | Lead      |                 | 653                 |
|                 |              |               | Zinc      |                 | 7                   |

**Summary Totals**

|                                  |                                |                              |
|----------------------------------|--------------------------------|------------------------------|
| <b>MINFILE Number:</b> 082FNW013 | <b>Name:</b> HINCKLEY (L.1720) | <b>Status:</b> Past Producer |
|----------------------------------|--------------------------------|------------------------------|

|               | Metric       | Imperial   |
|---------------|--------------|------------|
| <b>Mined</b>  | 2,011 tonnes | 2,216 tons |
| <b>Milled</b> | 1,905 tonnes | 2,099 tons |

**Recovery:**

|         |                   |                |
|---------|-------------------|----------------|
| Silver  | 778,446 grams     | 25,028 ounces  |
| Gold    | 481 grams         | 15 ounces      |
| Zinc    | 203,603 kilograms | 448,868 pounds |
| Lead    | 147,552 kilograms | 325,296 pounds |
| Cadmium | 59 kilograms      | 130 pounds     |

**Comments:**

1997      Calculated from grades. GCNL #10 (Jan.15), 1998.  
 1988      Figures from custom smelter report.
